

DISCOVER NEVERS - A DUCAL TOWN ALONG THE LOIRE

Set on the banks of the Loire, Nevers is well worth taking the time to explore. Once a ducal town, it has a compact historic centre where medieval streets, religious heritage, traditional faience and beautiful views over the river come together. It is also a lovely starting point for your journey along the Loire: a few hours are enough to get a feel for its atmosphere, though Nevers may tempt you to stay longer.
