

DISCOVER BLOIS - BETWEEN THE CASTLE AND THE LOIRE

Built on a hillside above the Loire, Blois invites you to wander from the riverfront into the old town. Stairways, historic houses and elegant townhouses line the way up to the royal château. Across the square, the House of Magic adds a playful surprise to this walk through history and along the river.

Not to be missed

- **The Royal Château**

Its varied façades tell the story of several periods in French history.

- **The House of Magic**

Opposite the château, discover Robert-Houdin, illusions and live performances.

- **Jacques-Gabriel Bridge**

From the south bank, enjoy a sweeping view of the Loire and the hillside town.

1

A TOWN TO EXPLORE ON FOOT

- The old town: follow its lanes and stairways past historic houses.
- Rue du Puits-Châtel: admire its Renaissance townhouses.
- Place du Château: stroll between the royal château and the House of Magic.

2

VIEWS OVER THE LOIRE

- Head uphill for views of the river and Jacques-Gabriel Bridge.
- Cross to the south bank for another perspective on Blois and its riverside skyline.

From the château to the quays, explore Blois at the pace of its stairways and the Loire.
